VALLEY

**BUILDING
A THAI WINE
CULTURE**

A VISION TO CREATE A THAI WINE CULTURE

Monsoon Valley was founded in 2001 by Chalerm Yoovidhya, a wine-loving entrepreneur with a vision to create wine culture in Thailand. Upon returning from his studies abroad, Chalerm experimented with growing wine grapes, embarking on a journey to create world-class wines here in tropical Thailand.

His first vineyard was at Tab Kwang, in beautiful Khao Yai area, a region known as the 'traditional' grape-growing region of Thailand.

An opportunity arose in 2002, when Chalerm was invited to plant grapes at the Huay Sai Royal Research project, a trial vineyard in Petchburi province, which at that time was not considered a wine-growing region. However, to his surprise, the grapes thrived, which led to Chalerm deciding to grow wine grapes at a commercial level in Hua Hin.

Chalerm found the ideal spot in a former elephant corral, Baan Khok Chang, a lush 1,500 rai (240 hectare) valley 45 kms west of Hua Hin beach. And thus Monsoon Valley Vineyards was born!

Being close to the sea gives our vineyard an advantage as nights tend to be cooler with fresh sea breeze, while the sandy and loamy soil is enriched with shells and fossils giving minerality and freshness to the wines. Today we grow a wide array of varieties such as Colombard, Shiraz, Chenin Blanc, Sangiovese and Rondo. Later added were Muscat, Dornfelder, Merlot, Cabernet Sauvignon and Sauvignon Blanc varieties.

Almost 20 years later, we're proud to have become Thailand's most internationally awarded local wine, with over 340 accolades from around the world so far. We thank you for your support and hope your Monsoon Valley experience is a memorable one.

BAAN KHOK CHANG ELEPHANT SANCTUARY

Come and enjoy the company of our beautiful healthy elephant with a natural habitat. Please join on this amazing experience open to adults and families with children.

We believe in the Harmony between nature and wildlife and in our Vineyards we managed to make some extraordinary connection with some most beautiful local fauna.

We have been supporting the very rare bulls at Kui Buri national park and since we started looking after them the small community has thrived into their 100's. We have also been lucky enough to have started a small project with local hornbill and using our wine barrels we had some families starting their homes inside them. Now we start with a new project with Elephants that we are proudly introducing in partnership with the extremely experienced Wild Life Friend Foundation of Phetchaburi which is headed by the world renowned philanthropist Edwin Wiek.

Ethically run to the latest conservation specifications we give our elephant a natural habitat, free of chains and with plenty of grounds to run around.

Come and enjoy the company of our beautiful healthy elephant where you can see them up to 4 times daily. A small charge of 200 THB is applied to visitors wishing to meet and greet and all moneys are used to support this expanding scheme which will see many more animals rescued from the hard labor and tourist traps where they are usually used to enrich unscrupulous owners.

We believe in giving back to nature and by doing so combining our passion for wine making with creating an environment for the habitat in the land used before us.

"BAN KHOK CHANG ELEPHANT SANCTUARY" is open daily from 9 am to 5 pm please join on this amazing experience open to adults and families with children.

THB 200 per person
(include a fruit basket to feed our elephants at the enclosure)
Open daily from 9am. to 5pm.
(Bathing time: 11am/ 12pm/ 2pm/ 3pm)

* Bathing time maybe changed please check schedule with our staff

WINE BARREL HORNBILL NESTS

Since 2015, in collaboration with the Hornbill Ecology Study Project at Mahidol University's Science Faculty, Siam Winery has been spearheading an innovative environmental protection effort under an experimental project titled "Development of Artificial Hornbill Nests from Used Wine Barrels" to broaden the birds' nesting choice and opportunities, as large trees which are their natural habitats are now rare to find. Of late, the situation has been worrying amid the decline in the highly endangered hornbill population that was on the verge of extinction. The lack of natural habitat is the second factor, after poaching, that drives these majestic birds to extinction.

The success of the project brings fertility of the ecosystem and the balance to the forests. A survey by the Hornbill Research Foundation shows that hornbills are forest-growing birds. They do this by eating more than 100 varieties of wild fruits and each bird eats more than 100 seeds per day. The dispersal of seeds in the rainforests by hornbills is a process of natural reforestation.

MONSOON VALLEY WINE

PREMIUM RANGE

COLOMBARD

Delicate citrus aromas with a touch of green apple. The palate is light bodied with crisp acidity and clean, pure lemon and grapefruit.

WHITE SHIRAZ

This wine is particularly distinguished with intense aromas of strawberries, cherries and some mint are married in this elegant wine with good acidity and body.

SANGIOVESE ROSÉ

This delicious and seducing Rosé is made from the famous Tuscan varietal that is base for many premium wines (chianti, Super Tuscans, etc.). A novum in Thailand, this medium-bodied wine, with a bite of tannin, has wonderful aromas of amarena cherry, tobacco, liquorice and mint

SHIRAZ

Only fully ripened grapes have been hand-picked for this wine. Well-balanced and structured, it has wonderful aromas of ripe plum, sour cherries and subtle notes of spices and coffee. Partly aged for 12 months in oak barrels from France.

SIGNATURE RANGE

SIGNATURE WHITE

The wine is made from our 100% Chenin Blanc from Monsoon Valley vineyard in Hua Hin. The grapes are hand-picked for premium quality selection. A blend of Chenin Blanc and other white cultivars, hand crafted in traditional Burgundy technique "Sur Lie" which contributes to richness and a lingering finish.

SIGNATURE RED

A blend of red cultivars such as Dornfelder and Syrah. Grapes are handpicked for Premium quality selection. This wine is medium bodied, soft tannins with spiciness and lots of fruit characters ending in a long finish.

SPARKLING

BRUT PRESTIGE SIGNATURE RANGE

Delicate stone fruits aromas with a touch of lemon with citrusy nuance. The palate is vibrant fruit and tinkle acidity. Some residual sugar perfectly balances the acidity and lively fizz, yet enhancing the fruit.

BRUT BLANC DE BLANCS FLAGSHIP RANGE

The Brut Blanc de Blancs is delicately fruity with notes of green apples, hint of brioche and walnut. the finish is minerally and elegant with a very fine and long mousse. Serve as an aperitif or with delicacies of the sea.

EXTRA SEC ROSÉ FLAGSHIP RANGE

The Extra Sec Rosé is a delicate and beautiful salmon hued wine with fresh aromas of strawberries and blackcurrant. The bouquet is rich with red fruits and lightly toasted notes. Enjoy it own its own or with flavorful dishes.

FLAGSHIP RANGE

CUVÉE DE SIAM BLANC

The Cuvée de Siam Blanc is made from our healthiest and ripest grapes and in style resembles a great white Burgundy. A blend of Chenin Blanc and Colombard, aged for 9 months in 1,000 and 2,000 liters barrels from Germany.

CUVÉE DE SIAM ROUGE

Made from our best and oldest vines and in style resembles a great Rhone red. A blend of Shiraz with Sangiovese, aged for 18 months in 500 liters oak barrels from France and bottled unfiltered

SWEET WINE

CHENIN BLANC LATE HARVEST FLAGSHIP RANGE

Grapes were left hanging on the vines for 10 more days to gain the sugars for this superb aromatic and sweet wine. Nectar-like, it has aromas of dried fruits, orchard apple and stone fruits such as white peach.

MUSCAT FORTIFIED FLAGSHIP RANGE

This is fortified wine is deliciously sweet and well balanced. Lush aromas of lychee and perfumed roses make it a perfect pairing with dessert or for sipping on its own.
