## **A Great Experience to Enjoy with Friends and Family.**

Discover the tropical climate vineyard in a unique way. A different and healthy experience to see the vineyards and enjoy our tropical and beautiful landscape.

Take a tour on the electric bike and see the scenery, learn about our vineyard with little effort. Take your bike freely along the designated route.

Most of the route is mount trail, if your legs get tired, you can always use the electric motor of the bike and simply ride away.

Catch a glimpse of the natural diverse landscape dotted with amazing trees and plants and vegetation such as banana, mango, papaya, olives, coffee, baobab, and various Thai herbs. Our Vineyard also participates in a project to preserve Hornbills and see them fly around.
